

Driving, Cars and Parking

In the interests of safety, parents are NOT allowed to take their cars up the drive from Higham Lane. It is too narrow and dark, and we have restricted turning space at the end. Please walk your children up the drive, or park at the end of the Ambleside Sports and Social Club overflow carpark and walk through the access gate.

The Car Park is for use by leaders only, unless special arrangements have been made, eg for disabled access.

Thank - you
