

CAN YOU INSPIRE?

Background Support

Outline: You help the group from an admin and financial point of view.

Responsible for: The management and governance of the Scout Group. You will still ensure everything we do is in accordance to the Scout Associations Policy, Organisation and Rules.

Responsible to: The group scout leader.

Main contacts: The GSL and other executive committee members.

Appointment requirements: No formal qualifications – just a desire to help. Some appointments may need a valid up to date DBS (issued by the Scout Association) but the majority do not.

Main tasks:

- To ensure the group is well run, in good financial health and fit for purpose.
- To maintain a platform that the section leaders can use to run Scouting for their young people.

Whether its paying the bills, keeping the records up to date, arranging insurance, running a fundraising activity, arranging a social evening, cutting the grass, changing a light bulb or cooking for a group event, we have a background role for you. These roles don't involve any direct contact with young people, but work with like minded people to keep the group going.

There is no weekly commitment for these roles; most tasks can be worked into your own schedule. The committee will meet every couple of months or so. They will work with the Group Scout Leader to ensure everyone is working toward common goals.

Adult volunteers within Scouting do not pay subscriptions.
